

**BROWNSVILLE INDEPENDENT SCHOOL DISTRICT
TITLE I-A FAMILY ENGAGEMENT POLICY
2019-2020**

I. STATEMENT OF PURPOSE

The Brownsville Independent School District (BISD) is committed to providing quality education to every student in the district. Partnerships with parents and the community are essential to this goal as neither home nor school can achieve this goal independently. Everyone gains if school and home work together to promote high student achievement. Parents play an important role as children's first teacher and their support is critical to their children's success. BISD intends to include parents in all aspects of the district's Title I-A programs to create a school-home partnership that will promote student success.

Grade level goals for all children in BISD will be distributed to parents with the expectation that *all* students will work toward these goals. BISD recognizes that some students may need the extra assistance of Title I-A programs to reach these goals and is committed to providing that support.

II. PARENT ENGAGEMENT IN DEVELOPING AND REVISING THE POLICY

A District Parent Advisory Committee (DPAC) consisting of BISD parents, teachers, principals and community members developed the District's Family Engagement Policy. The Parent and Family Engagement Department will annually form an Advisory Committee to review the Family Engagement Policy and to revise it as necessary. Special attention will be given to recruiting parent volunteers of children served in the Title I-A programs, with a goal of having at least two parents of each campus on the committee. The Title I-A Family Engagement Policy will be posted on each Campus and District websites.

- October 2019 and April 2020 (DPAC Reviews)

III. ANNUAL TITLE I-A CAMPUS PARENT MEETINGS

The Parent and Family Engagement Department will ensure that each campus will hold an annual Title I meeting for parents. These meetings will be held during the fall semester. The purpose of these meetings is to provide parents with information regarding Title I-A guidelines and services offered utilizing Title I-A funds as stated in the current Family Engagement Policy. The Family Engagement Policy will also be distributed to parents. Parents will be given the opportunity to offer their suggestions for any revisions to the policy. Parents may also volunteer to serve on either the district-wide (DPAC) or individual school's advisory committee (SBDM) or both.

The annual Title I-A meeting will be held at flexible times to increase the opportunity for parental participation. English and Spanish translation will be available. IV. SCHOOL-PARENT-STUDENT COMPACT

According to Title I-A regulations, each campus must share responsibility with parents for high student achievement by jointly developing a School-Parent-Student Compact. These compacts must outline the responsibilities of parents, staff, and students for promoting high student performance. Parents on each school's Advisory Committee/SBDM must be involved in designing the compacts. Students' responsibilities may vary by grade level.

All parents will receive the compact from their child's school with a checklist of the responsibilities that teachers, parents, and students have for helping students achieve their goals. All elementary campuses will conduct a Parent-Teacher conference to discuss the responsibilities stated for all stakeholders in the S-P-S Compact.

Parents are urged to discuss the compact with their children before they and their children sign the document. The School-Parent-Student Compact will be posted on each campus website.

- October 2019 and April 2020 (DPAC Reviews)

V. TYPES OF FAMILY ENGAGEMENT

The Brownsville ISD will provide opportunities for parent engagement to become involved in their children's education. BISD values both the at-home contributions of parents and those that take place at the school or in the community. Reading to children at home and talking with them at family meals are as important as volunteering at school and serving on advisory committees. Many types of family engagement are needed in school-home-community partnership to help all children succeed. In alignment with BISD's philosophy and mission, each Campus Improvement Plan (CIP) must include a family engagement component. All parent and community volunteers must comply with the district policy regarding State of Texas background checks.

Workshops and other programs will be available to address the expressed needs. Parents will be notified of these opportunities by the individual schools.

Parents may also call the Parent and Family Engagement Department or the individual school office to express an interest in a particular workshop topic or to make recommendations about the program.

VII. STAFF-PARENT COMMUNICATION

Communication with parents should also include a school newsletter distributed by each school at least four times a year. Notices sent home should be in both English and Spanish. This committee will collect information in a variety of ways, including campus visits and class observations.

Parents will also be asked for their input on the content and effectiveness of the Title I-A family engagement programs through an annual evaluation of the program. The evaluation will include an assessment of overall increases in family engagement and barriers to parental participation that still need to be overcome.
