Definitions/Definiciones:

Synchronous: A two-way, real-time/live, virtual instruction between teachers and students when students are not on campus. The student must be “present” virtually utilizing a computer or other electronic device or over the phone.

Sincrónico: Una instrucción virtual bidireccional en tiempo real/en vivo entre maestros y estudiantes cuando los estudiantes no están en la escuela. El estudiante debe estar “presente” virtualmente utilizando una computadora u otro dispositivo electrónico or por teléfono.

Asynchronous: Instruction that does not require having the instructor and student engaged at the same time. Students learn from instruction that is not necessarily being delivered in-person or in real time.

Asíncrono: Instrucción que no requiere que el instructor y el alumno participen al mismo tiempo. Los estudiantes aprenden de la instrucción que no necesariamente se entrega en persona o en tiempo real.
